UNIVERSITY GRANTS COMMISSION BAHADURSHAH ZAFAR MARG NEW DELHI – 110002

INSPECTION REPORT FOR DEV SANSKRITI VISHVAVIDYALAYA, HARIDWAR

3 – 5 July, 2010

I. Background of the Institution:

Dev Sanskriti Vishwavidyalya (D.S.V.V.) is a non-conventional centre of higher learning, education and research. An exceptional creation, which is executed through the blessings of a great visionary 'Pt. Shriram Sharma Acharya, who was a well known freedom fighter. He was honored by the Government of India for his meritorious services to the nation by releasing a one-rupee postal stamp in his memory in 1991. He had a vision to establish a university devoted to preservation & propagation of the Indian culture, which to him was a *Dev Sanskriti*. After his attainment of Samadhi, his admirers and followers resolved to translate his vision into action by establishing a university and named it as *Dev Sanskriti*. To achieve the goals, he has set in his life time for the radical change in the field of higher education, by focusing on Indian traditional knowledge system exemplified in Dev Sanskriti after his Samadhi in June, 1990. It was also assumed that the students would follow a simple, spiritual life style and they would benefit from both state of the art facilities and tried and time tested methods of Indian traditions. Acharya's silent revolutionary movement is now well established as Dev Sanskriti Vishwavidyalya which combines the percepts of practical knowledge and spiritual education to create truly enlightened students. This vision has come true and operational in the university

Dev Sanskriti Vishwavidyalya is committed towards:

- Advocating and upholding the fundamental values of Indian Culture.
- Advancing the intellectual, cultural and spiritual welfare of the students by reviving the education pattern of the ancient times.
- Sustaining sentiments of patriotism and service to the society.
- Developing a new generation of professionals to spread the Vedic knowledge all over the world.
- Working with other reputed National and International institutes to enrich educational quality and spiritual activities around the world.
- Maintaining High standards of ethics and quality in research, teaching and administration.

The university has been established in 2002 through an Act passed in the legislative assembly of Uttrakhand ,recognized by UGC and sponsored by Shri Ved Mata Gayatri Trust, Shantikunj, Haridwar.

The University has well equipped infrastructure in the form of laboratories, library, games and sports, yoga halls, polyclinic, dispensary, mess, canteen, amenities centre, upcoming auditorium, offices, Wi-Fi connectivity, adequate security arrangements etc.

It is a residential and non-affiliatory university with co education facilities having separate hostels for boys and girls alongwith residential facility for all the faculty and supporting staff. The number of faculties presently working in the University is 101 out of which 52 are having Ph.D. degree in different disciplines. So far more than 3,000 students have completed their education through different programs in the university besides more than 9,000 students who have completed programmes through distance education. These students have come from different states of the country reflecting a truly national character of the university.

A unique feature of the university is seen in terms of 'Life Donors' and 'Time Donors' working as faculty and staff and contributions made by socially conscious people through which it meets all its capital requirements and shortfall in revenue expenses. It has a provision to provide fellowship and scholarship to all the needy students. It is worth mentioning that the university does not charge any tuition fee but takes only maintenance charges towards hostel, mess, library, laboratory, and computers etc.

The internship programme is also one of the distinguishing features of a D.S.V.V. education. This unique programme not only guarantees students application of what they've learnet in class, but also presents an opportunity for them to gain valuable career-related experience, make contacts in their chosen field, and better the world through their knowledge. An internship is compulsory for every course, and a special department at the university helps every student find an internship that suits his or her needs.

 Dr. (Mrs.) Lata Gairola Professor of Psychology H.N.B. Garhwal University Srinagar (Garhwal) Member

Member Secretary

The meeting of the Committee was held on 3-5 July, 2010. The Committee first met for an internal discussion on 3rd July, 2010 at 9.30 A.M. where Prof. Vachaspati Upadhyaya, Chairman of the Committee welcomed all the members. Dr. K. P. Singh, Member Secretary of the Committee briefed the members about the provisions of the UGC (Establishment of and Maintenance of Standards in Private Universities) Regulation, 2003 and requested all the members to give their specific comments and observations regarding the university in view of the UGC Regulations, 2003. The specific provisions in the Regulations, where the Committee was required to give particular attention were also discussed in the meeting. Thereafter, the formal meeting of the Committee started at 10.00 A.M. when the Vice Chancellor and senior functionaries of the university welcomed the Committee. The Vice Chancellor made a detailed presentation about the university. He highlighted the progress made by the university so far and the innovative courses being run by the university. He also apprised the Committee regarding the governance system, the admission procedure, the examination system and the future plans of the university. After that, Committee visited various departments and inspected other infrastructural facilities, available with the university. On the same day, the Committee interacted with Dr. Pranav Pandya, the Hon'ble Chancellor of the university. On 4th July, 2010, Committee visited the other remaining departments, library, hostels and laboratories of the university. The Committee interacted separately with the teachers, not-teaching staff and students. The discussions were healthy and fruitful. In the evening, the Committee met for internal discussion where all members shared their views about the university and then the process of report writing was started.

III. <u>Inspection Report :</u>

1.	Name of the University with	Dev Sanskriti Vishwavidyalya, Haridwar (Uttarakhand)
	notification No. & date of State	No. 123/Vidhayee & Sansadiy Karya/2002 (Act No. 4 of 2002)
	Govt.	Dated: Dehradun April 11, 2002 (Annexure-I)
2.	Registered Office of the University	Shantikunj, Haridwar-249 411

23 a) Research and Extension facility

Research and Extension Activity

As a matter of policy, the university does not take any grant from state government or central Government or UGC to meet capital or revenue or "activity' expenses. Hence, the university has focused on in-house research activities through dissertation work in Masters Degree and Ph.D. programmes.

In order to boost up research activities, the university initiated its PhD program just after the completion of first batch of Masters Degree students in 2004-2005. The University focuses on bringing in limelight the scientific explanations of ancient concepts in different disciplines. Notable among the areas of research are as follows:

- Socio-spiritual model for treatment of mental disorders
- Yagna Therapy
- Yagna for environmental conservation
- Management model in Shrimad Bhagvat Geeta
- Ancient religious practices for human development
- Enriching body of knowledge through Vedic sciences in different disciplines
- Yoga in relation to health, human consciousness and human excellence.
- Indian culture and its implications in today's context.

Besides in house capabilities, the university involves Professors of repute and eminence to help students identify and carry out research projects.

So far 62 Ph.Ds have been awarded and 90 are under progress. More than six hundred dissertation work of Masters degree programme are already completed.

It is worth mentioning that a research culture in the field of yogic sciences is established and the faculty has started working to make research proposals to be submitted with national and international organisations.

Extension Activity

The internship is a unique concept integrated in the course curriculum in which the students voluntarily give two months of time donation for the society. They are involved in various activities related to health, education, self employment, eradication of social evils, women s empowerment, scientific Spirituality, social concerns and educate the masses in various areas.

The Jan Sanchar program of the university aims at reaching the educated youth of the country to sensitize them about the various challenges faced by the society and involve them in the social

		reconstruction of the country. A prominent activity which is organized by the Yog Arogya Polyclinic of the university is that along with the regular OPD, camps are organized for the Para military and police personnel across the country. Special camps for the treatment and management of specific diseases are also periodically organized during the summer vacations. So far more thousands of patients have been treated through this polyclinic. The psycho clinic of the university also provides regular treatment to the patients suffering from various mental disorders. As part of internship and on request hundreds of yoga camps have been organized in different parts of the country benefiting thousands of people.
	b) List of Research Publications for the last three years	The faculty of the university has published 81 research papers & 24 books. All these research publications are financed by the university. (Annexure-V)
	c) List of ongoing research projects with their source of funding.	Presently 86 Ph.D research programme are in progress and 52 Ph.Ds have already been completed. (Annexure-VI)
	Future plans for starting new courses	As informed to the Committee, the university has plans to roll out new courses in the following fields in coming years: a) Complimentary Therapy: Five and half years Bachelor of Naturopathy & Yogic Science (BNYS) course. b) The university also proposes to start following certificate/diploma/degree courses in: i) Disaster Management ii) Environmental Sciences iii) Music iv) M.Ed. v) Intellectual Property Rights (IPR)
25	Whether courses in emerging areas introduced/proposed to be introduced	Yes; It is proposed to introduce under mentioned courses in emerging areas: i) Certificate course in Water Resources and River Management ii) Advanced PG Diploma in Counseling iii) Certificate course in Rural Management and Entrepreneurship. iv) Advanced diploma in 3-D Animation and Visual Effects
26	Whether approval of relevant statutory bodies obtained for starting professional / courses / increased intake.	Yes, New courses are introduced or intake is increased only after obtaining the approval of professional bodies, wherever necessary. The approval of National Council for Teacher Education has been obtained to start B.Ed. programme. (Annexure-VII) The Distance Education programme has been approved by the Distance Education Council (DEC) for a period of five years. (Annexure-VIII)

27 Admission procedure

Admission procedure comprises of Written test and Interview. Admission Procedure

- There is no bias on the basis of gender, religion and regional bias for the admission.
- Reservation policy of the State government is followed.

- Round 1: Written Test-

All applicants need to undergo the first round of written test. This is to test the knowledge and aptitude level of the student in the opted subject, along with the general awareness. The entrance test shall also judge the candidate's aim of study, her/ his affinity with the ideals of DSVV and capacity or aptitude to adapt to the Vedic lifestyle.

- Round 2: Personal Interview-

The qualified candidates will undergo one-on-one interview with the subject committee specially constituted for the purpose.

- Eligibility

- For admission in Post Graduate degree & Diploma Courses, candidates must have a Graduate degree following the 10+2+3 course pattern with at-least 50% marks in Graduation.
- For admission in Certificate courses candidates must be qualified in 10+2 pattern.
- For admission in Graduation courses candidates must be qualified in 10+2 pattern with at-least 50% marks.
- Maximum age limit for all post graduate courses except Certificate in Rural Management and Certificate in Theology is 30 years. Candidates having work experience in some social service organization may get an exemption of another 5 yrs. for these 2 certificate courses. No candidates above 35 yrs of age shall apply for any course, even with work experience.
- However, in exceptional cases management may relax this condition.
- Maximum age limit for graduation is 22 years.
- The accepted norms regarding the number of students in each course have been mentioned under the heading 'Course of Study' later in the brochure.
- The applicant must not apply for more than 2 subjects through one form.
- Money deposited once will not be refunded.
- Final decision regarding the total number of seats in a course will be made by the admission committee.
- Based on the overall assessment, University reserves the right to accept or reject any application at any stage without giving any explanation.

The details of all the courses run by the University I mentioned later.	nave been
Z8 Fee structure for the different courses run by the University. The university neither accepts any financial aid Government or any other funding agency like UGC for operations. Shri Ved Mata Gayatri Trust, Shantikunj, Harid main funding body. No tuition fee is charged from the They need to pay expenditure towards boarding, loading laboratory and other sundry expenses only. For this purannual maintenance charges are as follows:	its routine lwar is the students.
Certificate Courses Diploma Courses Diploma JMC M Sc . Comp Diploma Animation Advanced Diploma Animation Other Graduation and PG Programmes	12,000 24,000 . 35,000 35,000 80,000 1,00,000 24,000
29 Examination System 1. The University follows semester system in a courses. 2. 80% marks are allocated for end	semester cated for external aminers. sessed by nographs
30 Number of sanctioned posts . : Professors/Readers/Lecture Professors/Readers/

40	Other facilities available at the Institute(s) give details.	Dispensary Amenity Center Canteen Facility				

IV. Observations of the Committee:

The Committee after going through the academic and other infrastructure of the university makes the following observations:

- a) The effort of the management to combine modern education based on traditional Indian values with the help of ideologically devoted teachers is creating a new generation of students with strong nationalistic view.
- b) The library of the university is sufficient enough to cater for the various courses conducted by the university.
- c) In academic arena the university has tried to deviate from the traditional courses to revive Indian Academic Approach where they are successful to a great extent. The Committee found that the new approach has takers in the form of campus selections.
- d) The Committee considers this university as a model experiment in the area of 'Time Donation' and 'Life Donation' for appointing teaching and non-teaching staff which started in 2002 and continued to sustain successfully and grow strength to strength till today.
- e) The laboratories of the university are well equipped, specially the Computer Lab is praise worthy. The university academics has tried its hand on the modern subjects like, Animation successfully.
- f) The building infrastructure of the university available for academic and cultural activities is spacious and well furnished.
- g) The university has up to date Gymnasium and big separate hostels for male and female students to accommodate all the admitted students.
- h) The teaching faculties for various courses are in place. The teacher-student ratio is 1:7. In new courses, the university is taking the help of senior retired teachers in newly introduced courses. Young teachers are also involved in these courses, who are in the process of attaining prescribed qualifications. Since the university is based on specific traditional ideology, most of the teachers, though qualified, are working as volunteers without asking for the UGC pay scales. The Committee in its interaction with the faculty found that the teachers are fully satisfied with the facilities, provided by the management like free boarding and lodging, free medical facilities, group insurance and time to time financial support for major events in the family. The teachers were found quite dedicated and committed to train their students for promotion of Indian values and ethos.
- i) The Committee interacted with the students and found them to be well equipped in their branches of learning and having high level of confidence.
- j) In its interaction member with the non teaching staff, the Committee found that staff is focused, devoted, satisfied with the facilities available to them and committed to the academic ideology of the university. Many of the staff members have devoted their life for the services of this university.

k) The Committee found that there is utmost cohesive atmosphere and mutual cooperation among all units of the university. The Vice Chancellor was found to be leading his team successfully with support, appreciation and respect from all the stake holders of the university.

V. Suggestions of the Committee:

- a) Looking to the rapid expansion of the academic activities, the University should create a separate Examination wing headed by Controller of Examination or Registrar (Evaluation).
- b) The courses should be updated / reviewed from time to time.
- c) All four Faculties of the university should have specific Departments/Schools and each Department/School should have specific subjects/courses with provision for introducing interdisciplinary course/s.
- d) Special arrangements should be made for teaching of Sanskrit, English and other Indian languages wherever it is essential.
- e) Special arrangements should be made for deputing the faculty or organizing Refresher Course/Orientation Programme for newly appointed teachers.
- f) Sports activities need more encouragement in the light of rising national competition levels.
- g) University should organise Workshops / Seminars and Conferences to constantly expose the students to scholars in respective subjects and also to update in the concerned subject to raise their academic level.
- h) Periodical / Research Journal of university needs to be started.
- i) UGC may be approached to start NET in new courses run by the university.
- j) University must undertake academic publications in the new / novel courses initiated by it.
- k) The Committee find the potentiality of the university to develop as Centre of Excellence in Yoga. Therefore, the School of Yoga and Health should be promoted as Centre of Excellence in Yoga by following all national standards with respect to nomenclature of the courses, curriculum development, teaching modules and methods, evaluation procedures etc.

VI. Specific Recommendations of the Committee:

Based on the presentation made by the Vice Chancellor and subsequent discussions visit to the different departments and other infrastructural facilities, discussions with the Hon'ble Chancellor, the faculty, the non-teaching staff, the students and the observations of the Committee made on pre page, the Committee feels satisfied with the functioning, the progress made so far and the future plans of the university. The Committee is convinced that this university is a commendable experiment in the field of higher education and is doing a great service to the society by launching innovative courses and research in the fields like Yogic Sciences, Scientific Spirituality, Water & River Management etc. The Committee feels that the university deserves all support from the Govt., the UGC and the society.

(Prof. Vachaspati Upadhyaya) (Prof. Pankaj T. Chande) (Prof. Aditya Shastri)

(Prof. S.N. Roy) (Dr. I. V. Basavaraddi) (Prof. S.N. Kapur)

(Prof. (Mrs.) Lata Gairola) (Dr. K. P. Singh)
