Message from the Chancellor

Dear Students,

I would like to express my appreciation for your interest in the Dev Sanskriti Vishwavidyalaya (DSVV).

Should you be accepted to attend, I believe it would result in a dramatic and auspicious change in the direction of your life and after graduation, you would have every reason to believe that, as an important member of society, your contribution to the world's cultural renaissance will be vital and with an identity of its own. The society at large is eager to welcome the inspired social servants who bear insignia of this university of excellence.

Unfortunately today, education is increasingly being seen as a way for students to increase their earning potential. I believe this development reflects a one-sided and incomplete understanding of the true purpose of education. The primary aim of fostering in the student, a multi-dimensional personality equipped to face the challenges of practical life and the cultivation of the hidden qualities and potentialities in the student, has been all but abandoned completely.

This is absolutely not the case at the DSVV. Here the goal of applying the ancestral wisdom of India for the purpose of developing each student into a great and noble citizen, who is prepared to contribute and serve the society; is our primary focus. In this regard, the DSVV is a magnificent and unique creation. It is truly the manifestation of a divine plan of the almighty God, executed through the Sage, Saint and Seer, Pt. Shriram Sharma Acharya. Throughout his life, he was guided to pursue a vision of reviving the ancient Rishi traditions and to re-establish and uplift the current deteriorating state of Indian culture. DSVV is a crucial component of this divine plan.

Whether or not you decide to apply for admission to the DSVV, allow me to say that if you can extract yourself from the attractions and illusions of the "earn and consume" mentality, it will be a step that bodes extremely well for both your future happiness and for the contributions to society that you will go on to make.

Please allow me to commend you for considering this path.

Dr. Pranav Pandya

Shantikunj: The Parent Institution Headquarter, All World Gayatri Pariwar

Shantikunj was founded by the Saint-Scholar-Philosopher par excellence, Pandit Shriram Sharma Acharya, who in his youth was also a celebrated freedom fighter. Shantikunj has emerged over the years as a unique center and fountain-head of a global movement of Yug Nirman Yojna (Movement for the Reconstruction of the Era) for moral-spiritual regeneration in the light of hoary Indian heritage. It is the head-quarter of Yug Nirman Yojna of the All World Gayatri Pariwar, which is being followed by more than hundred million individuals all over the world.

Through the seer-vision of the Yug-Rishi (Saint of the Era), the founder, organizer and patron, who was born on 20th September 1911 in the village Anwalkhera, Agra, Uttar Pradesh, India. Shantikunj has grown into a spiritual academy of moral, ethical and spiritual awakening of the masses in India carrying the seer-vision of Acharyashri with the message of love, peace, understanding and unity-in-diversity to all corners of the globe. The gist of Yugrishi's message is the lighting up of human consciousness to a higher and nobler realm of light, love and life instincts with divine harmony and joy. Vandaniya (Revered) Mata Bhagvati Devi Sharma, has been the foremost collaborator and disciple of Gurudev. She contributed the most in giving concrete shape to the ideals and dreams of Pujya Gurudev. The smooth working of this vast organization is based on voluntary contribution of one rupee, one handful of grain and one hour daily for mission work by millions of its devotees.

Shantikunj is devoted to a cultural, ethical, moral and spiritual awakening in the midst of a national integration. Development of divinity in mankind is the foremost goal and avowed objective. Pledged for national peace, prosperity, amity, love, goodwill and fraternity irrespective of region, religion, faith, caste, creed etc. Shantikunj is a unique abode true to its name. Visitors of all faiths & linkages are glued to the Ashram (Spiritual Center), they visit and view its peace & fraternal treatment. The courteous ovation and pleasing treatment add glory to the solemn attraction making visitors want to come here again. Expansion of national unity, amity and brotherhood with extinction of ignorance, jealousy, hatred and strife from the world are being attempted at Shantikunj by popularizing Gayatri Mantra, Yagya and Sanskaars (sacramental rites), the adoption of which invokes celestial thoughts and inspires for divine deeds. The divinity may be seen firmly fixed in every activity of this holy pilgrimage.

A Visionary's Dream: Dev Sanskriti Vishwavidyalaya

Sixty-one years ago, **Kulpita Pandit Shriram Sharma Acharya (1911-1990)**, a scholar-saint and founder of the All World Gayatri Pariwar, envisioned a unique university that would combine the principles of practical knowledge (Shiksha) and spiritual education (Vidya) to nurture truly enlightened students. The well-rounded and dynamic students of the university would channelize their efforts towards the goal of a divine, value based society. They would follow a simple and spiritual lifestyle. They would also aspired to have the benefits of state-of-the-art facilities and the wisdom of ancient traditional practices.

The foundation was laid in 1999 under the flagship of the mother institution, Shantikunj. In April of 2002, the vision became reality when the university was recognized by the University Grants Commission, India. Now, this university has truly become the catalyst for spreading the divine culture, irrespective of caste, creed, region and religion. Unlike most universities, DSVV caters to all aspects of its students' lives which includes academic, cultural, social and spiritual. The ultimate objective of the students at DSVV is not to increase their financial capacity but to mould themselves into responsible citizens, who can contribute to the development of a just and prosperous society. Students and teachers at DSVV are equally committed to this goal. Together, they pursue innovative local solutions to problems of global scope and significance. By observing a healthy, simple lifestyle with a focus on ancestral Indian cultural values, the students would maintain the vitality of the Vedic tradition. Yoga, Yagya, collective prayer and meditation are integrated into their academic routine.

An Illustrious Establishment

The seeds of the university were sown when **Kulmata, Mata Bhagwati Devi Sharma Ji (1926-1994)** recognized the divine samskaras (spiritual vibrations) of this place. Her Holiness Vandaniya Mata ji felt the divine spiritual energy of this awakened land during Shradhanjali Samaroh organized in 1990. After the Bhoomi Poojan on 23rd May 1999, the construction started and Dev Sanskriti Mahavidyalaya came into existence. The college gained the status of 'Dev Sanskriti Vishwavidyalaya' on the basis of an act (22.01.2002) passed by state legislature and notified in the gazette vide notification no. (123/vidhaya & sansadiya karya/2002 dated 11-4-2002). The university is recognized by University Grant Commission, India under the 1956 act section 2(F) and also has been duly certified by ISO 9001:2015 on 27.01.2014 and accredited by NAAC with 'B' grade on 14.09.2015. The university was also awarded as 'Best University of the Year 2019 for holistic education' by Academic Insight Magazine.

“There is need for an educational institution which could mould its students into noble and enlightened human beings: selfless, warm-hearted, compassionate and kind.”

WELCOME TO

DSVV

Developing a new generation of professionals to spread the ancient Vedic wisdom

A University for the Global Culture & Spiritual Renaissance

Dev Sanskriti Vishwavidyalaya (University)

DSVV's greatest strength lies in the unique vision of its patron visionary, **Yugrishi Pt. Shriram Sharma Acharya Ji**; together under whose aegis science and spirituality has been brought together under one roof. The volunteer based model brings an environment that values teaching, learning, research and all other activities. DSVV offers its learners a home away from home where students and faculty members learn and grow together. The residential campus at the foothills of Himalayas and lap of Maa Ganga presents a serene environment for holistic development of personality.

Dev Sanskriti Vishwavidyalaya (University) was established in 2002 in Haridwar, Uttarakhand at the foothills of the Himalayas in the vicinity of the holy Ganges. Surrounded by lush Himalayan vegetation, the campus spreads over 76 acres of land and is equipped with an excellent infrastructure and dedicated faculty, staff and knowledge-seeking students. The university is duly recognized by the University Grants Commission New Delhi, certified by ISO, accredited by NAAC and is privately financed by Shri Vedmata Gayatri Trust, Shantikunj, a renowned socio-spiritual organization.

The University was established to meet the pressing need of a high quality educational system based on scientific spirituality and grounded in a spiritual life style. Cultivating a culture of ethical, moral and spiritual transformation of youth is DSVV's first priority. Excellence in character, indomitable courage, firm determination and an intense love for labor are the traits of our students. Born out of the vision of Patron founder **Yugrishi Pandit Shriram Sharma Acharya Ji**, we focus on the confluence of modern education with instilling human values. Molded in spiritual environment, in this fully residential university, several curricula have been started that are based upon the basic elements of Indian Culture. In a short time, this university has achieved many accolades not only in India but also abroad. A large number of MoUs have been signed with various national and international organizations by the university in the field of research and student & faculty exchange programs.

Along with an excellent domain focused approach, sectoral excellence and a widely knitted outreach connect, we try to build individuals with spirituality as their locus of control and help them excel holistically through our meticulously designed curriculums and dedicated faculty. The combination of traditional gurukul style of teaching with most modern curricula leads to holistic development of students. The university today, hosts students from all states of India along with those from several other countries like Korea, Japan, Iran, Malaysia, China, Russia, Spain, Latvia, Lithuania, Germany, Taiwan, Czech Republic, USA, Australia, Sri Lanka, Vietnam, Nepal, Bhutan etc. Within a short span of time since its inception in 2002, the University has taken rapid strides towards achieving its goals by imparting contemporary education (Shiksha) with spiritual wisdom (Vidya).

Special Classes by Hon. Chancellor on Scientific Spirituality, Geeta, Meditation & Navratri Class

Dev Sanskriti Vishwavidyalaya is one of those few institutes where the Chancellor himself takes classes on a regularly. Honourable Chancellor gives discourse on **Bhagawad Gita** and **Meditation** every week. Only organized and controlled thinking can prevent the mind from wandering away. Meditation sessions help to maintain the psychological well-being of the students and awaken the latent talent within them. Honourable Chancellor has developed many types of meditation methods designed for specific purposes. Some of the important ones are – Meditation on the rising sun for building self-confidence, uprooting the negative tendencies, meditating on the sun at the navel centre and meditation on AUM for realizing the absolute Truth. The Revered Chancellor has come up with a divine elixir that can transform the actions, thoughts and personality through Gita. Through these classes, the chancellor inspires the students to face the challenges in the practical world with zeal and confidence. The psychological aspects of Gita given through his commentary are very unique. Through the medium of the Bhagawad Gita, the chancellor trains the students on Jnana, Karma and Bhakti Yoga in a very practical manner.

TESTIMONIALS

‘करियर ओरिएंटेड एजुकेशन’ आपको भौतिक सुख दे सकती है, आध्यात्मिक शांति नहीं दे सकती। अगर आध्यात्मिक शांति प्राप्त करनी है और आध्यात्मिक शांति के माध्यम से समग्र विश्व के कल्याण, देश के कल्याण के लिए और अंततः युग बदलने के लिए जो यात्रा चल रही है, इसमें जुड़ना है तो मैं मानता हूँ कि ईश्वर ने आपको बहुत सही जगह पर भेजा है। इसका उपयोग आप लोगों को करना चाहिए।

Shri Amit Shah

विश्वविद्यालय में शिक्षा, विद्या और संस्कार विद्यार्थियों को दिए जाते हैं यह अद्भुत है। विश्वविद्यालय जिस ढंग से शिक्षा दे रहा है मैं उससे चमत्कृत हूँ जहाँ नव युवाओं के जीवन बदलने का अभियान चलाया जा रहा है।

Shri Shivraj Singh Chouhan
Former Chief minister of
Madhya Pradesh, India

अखिल विश्व गायत्री परिवार महामानव बनाने की टकसाल है। टकसाल में जिस प्रकार रुपये बनते हैं - वैसे ही इस विश्वविद्यालय से संस्कृतिसंपन्न मानव बनते हैं।

Shri Pushkar Singh Dhama

Uttarakhand, India

यहाँ आकर लगता है कि जो परिकल्पनाएँ देश के महापुरुषों ने की, कि हमारी संस्कृति, हमारे मूल्यों को वैज्ञानिकता के साथ लेकर कोई विश्वविद्यालय आगे चले, आज वो सब परिकल्पनाएँ यहाँ पूरी होती देखकर हर देशवासी गौरवान्वित हो सकता है।

Shri Kailash Satyarthi
(Nobel Peace Prize Winner)
